Theme park entry (valid Park admission and reservation required)

Seek virtual bounties with *Star Wars: Batuu Bounty Hunters* experience**

Pairable with a smartphone using the Disneyland app*

Options to adjust LED lights, haptic vibrations and gesture recognition

Link Disney PhotoPass photos to your Disney account

*Message, data and roaming rates may apply for use of Disneyland app and Play Disney Parks app. Availability subject to handset limitations and features may vary by handset or service provider. Coverage and app stores not available everywhere. If you're under 18, get your parents' permission first.

**Both a Theme Park reservation and valid admission for the same Park on the same date are required for Park entry. Park reservations are limited, subject to availability, and are not guaranteed. Offerings may be limited in availability, and are subject to restrictions, and change or cancellation without notice. Lightning Lane entrance email window requires a separate purchase. Visit Disneyland.com/updates for important information to know before visiting.

Online registration and Disney account required to use MagicBand+ and Disney PhotoPass service. Disney PhotoPass service is subject to the Disney PhotoPass Terms & Conditions and expiration policy found at <https://disneyland.disney.go.com/photospass/terms-conditions/>. MagicBand+ and MagicBand 2 will not be supported at Disneyland Resort at this time.

**To use the Play Disney Parks mobile app to enhance the MagicBand+ experience, guests must be logged into the Play Disney Parks app with the Disney account linked with their MagicBand+.

MagicBand⁺

Easy Setup

Follow these three simple steps to set up your MagicBand+ and make the most of its hands-free convenience and interactive experiences.

STEP 1

Power on your MagicBand+ by pressing on the button on the back once and tap the band to the back of your phone.

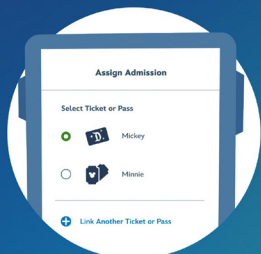

STEP 2

You'll be directed to open or download the Disneyland app.

STEP 3

Follow the instructions in the app to link the MagicBand+ to your Disney account, assign it to your ticket or pass and pair it to your smartphone.

To enjoy all available MagicBand+ features and capabilities, link MagicBand+ to a Disney account and pair it with a smartphone through the Disneyland app.*

Both a Theme Park reservation and valid admission for the same Park on the same date are required for Park entry. Park reservations are limited, subject to availability, and are not guaranteed. Offerings may be limited in availability, and are subject to restrictions, and change or cancellation without notice. Lightning Lane entrance arrival windows require a separate purchase. Visit [Disneyland.com/Updates](https://disneyland.com/Updates) for important information to know before visiting.

Online registration and Disney account required to use MagicBand+ and Disney PhotoPass® service. Disney PhotoPass® service is subject to the Disney PhotoPass Terms & Conditions and expiration policy found at <https://disneyland.disney.go.com/photopass/terms-conditions/>. MagicBand and MagicBand 2 will not be supported at Disneyland Resort at this time.

*Message, data and roaming rates may apply for use of Disneyland app and Play Disney Parks app. Availability subject to handset limitations and features may vary by handset or service provider. Coverage and app stores not available everywhere. If you're under 18, get your parent's permission first.

**To use MagicBand+ for theme park entry, redeem Disney Genie Lightning Lane and individual Lightning Lane entitlements and access Disney PhotoPass photos, you will need to link your MagicBand+ to an account on the Disneyland app.

**To use the Play Disney Parks mobile app to enhance the MagicBand+ experience, guests must be logged into the Play Disney Parks app with the Disney account linked with their MagicBand+.
